Required Qualifications for Staff Senate Scholarship Recipients

• An applicant for any Staff Senate Scholarship must be a permanent SPA or EPA-Administrative employee or dependent.
• An applicant for the Staff Senate Annual Scholarship must have been accepted as a degree-seeking student at an institution of higher education.
• An applicant for the Staff Senate Endowed Scholarship must have been accepted as a degree-seeking student at Appalachian State University.
• An applicant for any Staff Senate Scholarship who is a dependent of an ASU staff employee must be a full-time student during the scholarship award period.
• A full time permanent SPA or EPA-Administrative employee need not be a full-time student during the scholarship award period to be considered for a scholarship.
• An applicant for the Staff Senate Annual Scholarship who will be attending an institution of higher learning other than Appalachian State University must forward to their financial aid office a “Release of Information Form” to be eligible. A response must be received by the Committee chair before the Committee convenes to review applications.
• An applicant for any Staff Senate Scholarship must have a minimum 2.5 cumulative GPA in their current or most recent academic experience.
• An applicant for any Staff Senate Scholarship must provide an official transcript from the most recent academic term as part of the application. If the transcript is from ASU, an unofficial transcript is acceptable.
